# CNR Seminar & Lunch

## Rural Health & Nursing Education in Scotland, UK

Tuesday, March 14, 2023  
12:00 to 2:00 p.m.

Ms. Debbie Wilson will discuss rural health delivery and nursing education in Scotland. She has worked in higher education since 2017 and as route leader for the health visiting and school nursing routes of the MSc Advancing Practice program for 4 years. Ms. Wilson's visit is sponsored by the AU Provost Converge grant initiative to foster collaboration and enhanced rural health education and training from an international perspective.

We have applied for 1.0 CE contact hour.

*Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*

This will be an in-person event in EC-1222. Those who RSVP will receive a link to select a box lunch. After the seminar, there will be time to talk with Ms. Wilson. Those unable to attend in person can join on Zoom. See the Outlook invitation or the CNR Seminar webpage for the Zoom link:
