

Augusta University Student Health Insurance Premiums

We believe that health insurance coverage should be a primary concern of all students. The incurring of unexpected medical expenses could jeopardize a student's ability to continue his or her education.

United HealthCare Student Resource is the administrator of the AU Student Health Insurance program for the 2023-2024 year. To ask questions about the benefits and coverage in the plan, please call UHCSR Customer Service at **866-403-8267** or go to www.uhcsr.com/augusta.edu

If you have other questions please email us at studentinsurance@augusta.edu
