## Research Collaborations in the Social Sciences

Friday, February 16, 2023  
12:00 to 1:00 p.m.

Drs. Avent-Holt and Powell-Williams will share the research support provided by the Center for Social Science Research and the Qualitative Research Lab. They also will highlight potential areas of collaboration between the social sciences and the CNR.

This will be a live virtual presentation on Zoom. Please see your Outlook calendar invitation for a link to the seminar or click on the seminar link on the CNR Seminar web page at:
