CNR Seminar

Mitigating Cervical Cancer Rates among Disproportionately Affected Women of All Races

Friday, May 31, 2024
12:00 to 1:00 p.m.

Drs. Gaillard and Cromer will describe factors associated with high-grade squamous intraepithelial lesions (HSIL). They also will discuss an integrated team strategy to improve cervical cancer rates among vulnerable populations.

We have applied for 1.0 CE contact hour for nurses. Wellstar MCG Health is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This will be a live virtual presentation on Zoom. Use the QR code or go to our [CNR webpage](#) for the Zoom link.
