

SERVICE & FIELDWORK

Highlights of our Students and Faculty serving the local and international communities through service and service learning...

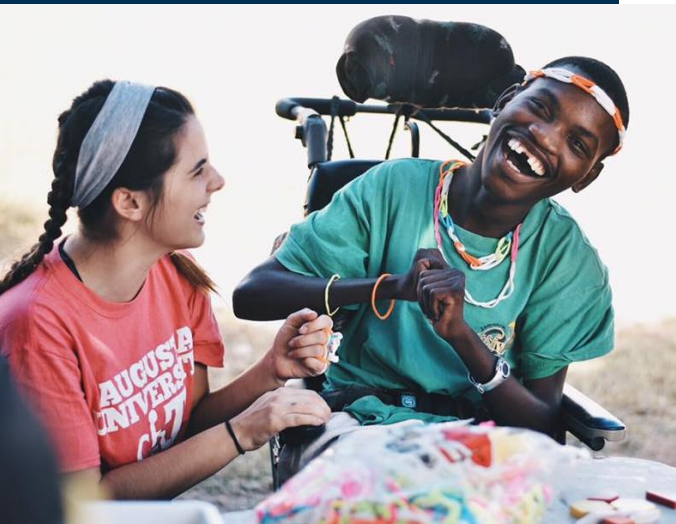

Steps of Grace- The goal of *Steps of Grace* is to provide children with special needs with quality dance instruction and foster a love for dance. Students participate with faculty to implement dance sessions. <http://www.stepsofgraceballet.com/>

Equality Clinic – The Equality Clinic of Augusta is a LGBTQ friendly clinic providing physical and mental health services to individuals who are un- or under-insured. OT students facilitate a support & education group for members of the LGBTQ community who receive services at the clinic. <http://www.equalityclinaugusta.com/landing>

Jamaica Fieldwork- Through a study abroad/Level I fieldwork experience, students provide occupation based group activities, community outings, seating and positioning, feeding and communication support to children and adults living within the Mustard Seed Communities in Jamaica. <https://www.facebook.com/AUOTJAMAICATEAM/>

Camp TBI – OT Students participate as 1-on-1 counselors adapting activities as needed for campers with traumatic brain injury in a weeklong, overnight camp. <http://www.waltonfoundation.net/community-services/camp-tbi/>

Camp I.V.E.Y.—OT students participate as 1-on-1 counselors in a weeklong camp for children with developmental delays in a traditional camp setting. <http://www.thefamilyy.org/index.php/location/camp-lakeside>
