Please note: Job Classifications listed under the General Use category are available for campus-wide usage. Some job classifications are for department specific use only and would be listed under the Area of Primary Responsibility. In certain situations, job classifications that are normally limited to the Area of Primary Responsibility may be needed by a department outside of the primary one. In such a situation, the requesting department is required to coordinate with the Area of Primary Responsibility and Human Resources when developing the job content and official position classification form. Review/Approval from the Area of Primary Responsibility will be required. Human Resources reserves the right to designate titles to be within a specific department.

** This position will have very specific requirements, consult with HR for questions.
