

## Department of Occupational Therapy

### Policy 23.0. *Student Outcomes Disclosure*

#### **POLICY PURPOSE**

The Department of Occupational Therapy seeks to inform all students of graduate outcomes related to retention, graduation, employment rates, employers' satisfaction of Augusta University graduates' work performances, national certification exam results, and accreditation status.

#### **POLICY STATEMENT**

In accordance with accreditation and institutional standards, the Department of Occupational Therapy offers full public disclosure of three years of outcomes related to student retention and graduation rates, as well as NBCOT exam performance outcomes.

#### **PROCESS + PROCEDURES**

1. National Certification Exam Results are accessible via a link to the NBCOT website on the department's webpage. The retention and graduation rate data are available on the department's webpage.
2. Student Retention and Graduation percentages are collected annually by the department. Applicants and students may ask for this information at any time.
3. Graduates' employment rates are collected annually, and employers' satisfaction percentages are assessed every three years by the department. Applicants and students may ask for this information at any time.
