# THE CHAPLAIN'S CORNER

WITH CHAPLAIN TIMOTHY LARK

Happy New Year!

Greetings and blessings to each of you.

We have ended one year and have begun another one. I am so thankful to be alive in this New Year of 2025! God has truly brought us through a lot over the last twelve months. 2024 had its challenges and changes, moments of disturbance and devastation to say the least, but "Praise God, we made it!" I really would like you to stop for a few minutes and consider that millions did not make it, but you and I are some of those who did! Wow!

I believe it is beneficial for us to recollect and reflect upon what we have experienced this year but not remain mired there. Each new year I am reminded of Paul the apostle's wise counsel when he advises us to let the past go and concentrate on the things that are in front of us. "Brethren, I count not myself to have apprehended but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before," Philippians 3:13. In my brief time here on Earth, I have come to realize that I cannot go back and undo whatever I have done. I want to advise you to avoid obsessing over previous hiccups, hang-ups, and hurts. Life is too short to get stuck in the past and allow it to become a prison.

You get a fresh start every day and every year, and you have the chance to finish the things you did not finish or do. Let us bid farewell to the old, say hello, and embrace a fantastic future!

Thank you, Lord, for keeping us safe and secure during the previous 12 months. I ask that you pardon us for not completely obeying your instructions and performing what you have commanded. May we always be surrounded by your mercy and grace as we travel through life. As we support our Veterans, their families, and one another in this new year and beyond, kindly continue to give us your support and guidance.

Rest certain that the best is still to come! May the Lord our God continue to bless you all. Much love.

Regards,

Chaplain Timothy E. Lark

## Still A Soldier

by Timothy Emmons

I lay here today a soldier  
I know some don't understand

I will try to explain

So maybe you can

I served my country

For many a year

I retired long ago

The soldier still here

I put on my uniform

I wore it to foreign lands

The soldier I was

Is still in the man

I have been a husband, father, and friend

To some of you here

But I've been a soldier all along

Even after so many a year

My final salute

I render today

I'm still a soldier

I'm just on my way.

*In Loving Memory of Franklin Pearson, Charles Dunn,*

*Henry Freeman, and Rolland Grisco*
