

MCG's Curriculum Overview

Where do you fit in MCG'S Undergraduate Curriculum?

MCG's 3+ program is an individualized education format to accommodate the career interests of our learners. After learners have completed their pre-clerkship and clerkship training, they select one of four pathways for their 4th year. These include residency preparation, research, dual degree, and becoming a PGY1 intern in Georgia.

For more details, check out [MCG Curriculum Office](#).

YEAR 1	Case-Based Learning (CBL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group 	Patient Centered Learning (PCL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group 	Anatomy and Other Modules	Pre-Clerkship	
	Case-Based Learning (CBL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group 	Patient Centered Learning (PCL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group 			
YEAR 2	Case-Based Learning (CBL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group 	Patient Centered Learning (PCL) <ul style="list-style-type: none"> • Large Group Lecture • Small Group
