CAMPUS

The campus will identify where the course will be taught. In this example, the course is being taught ONLINE (OLC), but you may see others like SC (Summerville Campus) or HSC (Health Science Campus). If a building and room number are assigned, it will show in this area. Please be cautious when registering for sections that are on different campuses. You may need to factor in additional travel time.

The link below will take you to Augusta University Campus map.

MEETING TIMES

Meeting Times will identify where the course will be taught.

FACE TO FACE

A course is defined as lecture when course content and learning material are taught in person to a group of students. Face to face courses will list the meeting days, times, and location.

Example of How a Face to Face Course is Reflected on the Schedule of Classes:

Term: Fall 2024 Subject: Psychology

Title	Subject	Course Number	Section	Hours	CRN	Term	Instructor	Meeting Times

*Meeting Days: M=Monday, T=Tuesday, W=Wednesday, R=Thursday, F=Friday, S=Saturday

HYBRID

A course is defined as hybrid if a course is taught as a combination of online and regular classroom instruction where up to 50% of class sessions may be delivered via distance education. The online instruction will be asynchronous.

Hybrid Traditional Asynchronous

Face to face attendance is required on the days designated with both a campus time and campus location. Online attendance is required on the days with both a campus time and location “Course Taught Online”.

Example of How an Hybrid Traditional Asynchronous Course is Reflected on the Schedule of Classes:

Term: Fall 2023 Subject: Management Science Course Number: 6600

Title	Subject	Course Numbr	Section	Hours	CRN	Term	Instructor	Meeting Times	Campus
Business Analytics for Manager Lecture	QUAN	6600	HY2	3	23591	Fall 2023	Ferrand, Yann (Primary)	<p>S M T W T F S 07:00 PM - 08:30 PM Type: Computer Room 30 Seats Building: Allgood Hall Room: E126 Start Date: 08/16/2023 End Date: 12/14/2023</p> <p>S M T W T F S - Type: Clinic Building: Course taught online Room: None Start Date: 08/16/2023 End Date: 12/14/2023</p>	Summerville Campus

ONLINE

A course is defined as online if the entire course is taught using distance technology. Online courses will always include “Course Taught Online” as the location. Online courses are taught asynchronously and have instructional methods of entirely or fully at a distance. These instructional definitions can be found below:

Code	Category	Description	Example
E	Entirely at a Distance	This course is delivered 100% through distance education technology. No visits to campus or designated site are required.	A course that has no scheduled class meetings and all class sessions are via technology would be coded E.

STUDENT: SCHEDULE OF CLASSES READER GUIDE

F	Fully at a Distance	More than 95% of class sessions are delivered via distance education technology. This course may require that students travel to campus or other designated site to attend an orientation, take an exam, or participate in other on-site experience.	A course that requires students to meet for an orientation on the first day of class and to meet for midterm and/or the final exam would be coded F.
P	Partially at a Distance	More than 50% and up to 95% of class sessions are delivered via distance education technology, but some visits to a classroom or designated instructional site are required.	A course that is scheduled to meet M, W, F, but only meets on Wednesday, with Monday and Friday class sessions replaced by technology would be coded as P.
H	Hybrid Traditional	Up to 50% of class sessions are delivered via distance education technology. At least half of the class sessions meet in a classroom or at a designated instructional site.	A course that is schedule to meet T, TH, but only meets Tuesday with Thursday class session replaced by technology would be coded as H.
T	Technology Enhanced	Technology is used in delivering instruction to all students in the section, but no class sessions are replaced by technology.	A course that is scheduled to meet T, TH, and meets each class session, with some course materials available online would be coded as T.

ASYNCHRONOUS

Asynchronous means that students do not attend the course at a set time. No meeting times will be listed on the Schedule of Classes.

Example of How an Online Asynchronous Course is Reflected on the Schedule of Classes:

Term: Summer 2024 Subject: Education Curriculum and Instr

Title	Subject	Course Num	Section	Hours	CRN	Term	Instructor	Meeting Times
Curriculum Studies Asynchronous Instruction	EDCI	7110	CO1	3	32774	Summer 2024	Weeks, Thomas (Primary)	S M T W T F S - Type: Class Building: Course taught online Room: None Start Date: 05/20/2024 End Date: 06/25/2024
